

Week beginning: Monday 11th January 2021

Buttrcup Class Live Learning

Thank you for bearing with us over the last few days – we've hit some bumps along the way but I think I am getting there and I think by the end of this Lockdown I will be a pro!!

Following feedback and conversations throughout the school and online:

- please do not worry if you can't make all the on line live lessons. I will endeavour to put up all the resources and power points or videos onto the Team file page so you can work through these when it suits you.
- ensure you are live for registration at 8.45am. I have to check in with everyone twice a day.
- remember to mute yourselves when I am aware from the screen. Other people can hear you and they may magpie your ideas and answers!

I will set up an online spelling test on Purple Mash for a Tuesday. There will be two – one for Spelling Group A and one for Spelling Group B. On the front of your child's spelling book it should have a sticker letting you know which group your child is in. Again, this is not mandatory, but is there should you wish to use it. I will be able to see how your child has done, although I won't be recording the scores.

All resources that may be needed for this week will be available via the Teams app for each day, along with being emailed via Parentmail and accessible through the school website.

Weekly Extras

Maths

Complete at least 30 minutes of Maths Whizz during the week. Also, carry on practicing your times tables and division.

Reading

Continue to read at home as much as you can. Websites like Book Trust and Oxford Owl ebook library have access to online books.

Spelling

Use a different way every day to practice your spellings.

Grammar

There is a new grammar activity for each day. These can be copied into your topic book

We hope you will find the above information helpful and we look forward to seeing you on TEAMS
