The General Idea!

The Bingo Race gives everyone a chance to win!

Athletes will be divided into groups of ten athletes i.e. Red Group, Green Group etc.

Each athlete will have a race number with 5 additional numbers from 1-10. These 5 are your BINGO NUMBERS.

The athletes will run laps of the football field and the leader of each group will pick a playing card (1-10), face down.

This will be the first number for the group and if it is one of the numbers on your race card, you cross it off – just like Bingo!

This will be repeated until all your numbers are crossed off at which point you have finished the race.

The idea of the race is that anyone in the group can finish first.

There will be a race briefing half an hour before the race to answer any queries.

**PLEASE NOTE: DOGS ARE NOT ALLOWED
ON THE RECREATION OR
FOOTBALL GROUNDS**
