

FOSS Events 2023-24

Please see below list of FOSS Fund Raising Events for the academic year 2023-24. Unfortunately due to depleting numbers of volunteers willing to help out with FOSS, we are in need of more help during the next academic year

Those events specifically listed below with 'A Representative/ Helpers required' are events which we need someone to champion and run, please. This could mean that someone might be willing to take this on, on their own, but equally someone may be willing to lead on this with some additional helpers. If you are able to help with these events, or any of the other events, or would like to join FOSS, please get in touch via your class reps. or email fossbox01@gmail.com

Please remember that without the additional income which FOSS generates, many additional items could not be purchased for the children and school.

FOSS currently continues to subsidise many school trips, plus the cost of the bedding and coach for the Year 6 PGL Trip each year. It contributes towards IT equipment on an annual basis, purchases sports day medals, playground equipment, class Christmas gifts, curriculum resources, forest school equipment, and much more. We would very much like to continue to do this – Every little helps! ☺

Have a great summer! Thank you – FOSS
