Hello and welcome to 'The Goodness Gang' Breakfast Club.

We hope that you find this pack informative and helpful. We have tried to cover any queries that you may have but if not please feel free to ask a member of staff who will be more than happy to help you.

Why run a Breakfast Club

Breakfast can be the most important meal of the day. Many children often miss their breakfast and resort to snacking on unhealthy food on the way to school or miss it out completely.

Breakfast clubs can provide a combination of a healthy breakfast, early morning childcare and an opportunity for your child to engage in social activities.

The Breakfast Club will allow your child to start the school day, on time and calm and ready for learning.

We cater for all pupils within our school.

Once the children have arrived at the club they will be given a choice of healthy breakfasts and drinks and then they will be able to participate in a wide and varied range of activities chosen to meet the needs of the individuals.

If you have any queries you can contact the school on 01367 710474, we are happy to help with any queries and we want your child to enjoy their time at Stanford in the Vale Breakfast Club.

We are committed to Equal Opportunities and all children are invited to attend the Breakfast Club.

Staffing

Three staff members will run the club – Mrs Zoe Jones, Mrs Lucy Crook and Mrs Steph Goddard. They are all qualified, have DBS clearance and meet the criteria to work with children and attend training to update their skills.
