

Stanford in the Vale CE Primary USE OF SPORTS PREMIUM FUNDING Report to Parents & Guardians for 2015/16

This year, schools have received PE and Sport Funding. This funding must be used to fund improvements to the provision of PE and sport, for the benefit of primary aged children, in the 2015 – 2016 academic year so that they develop healthy lifestyles. We will receive £8000.00 plus £5.00 per eligible pupil.

Actions to be taken	Impact	Evidence: pupil attainment & progress
Pay King Alfred's to access partnership competitions, free training for staff and support/training for our PE Co-ordinator.	School entered lots of competitions. Opportunities given to compete against other children and abilities. Developed sportsmanship and team work.	More competitions were entered. Stanford took part in many activities and won the cricket, gymnastics, swimming, netball and many more competitions.
Develop and train Sports Leaders within the school.	Children from KS2 collected data from teachers for the Golden Mile and inputted into the computer.	More children are receiving certificates at our Friday celebration assembly.
Set up and deliver organised games during lunchtime using sports leaders.	Children organised and ran lunchtime games independently and took ownership of the games.	Children built upon leadership skills and successfully led a range of activities. Attendance was very good.
Develop the stamina of pupils by taking part in the Golden Mile on a weekly basis.	All classes took part in the weekly 10 minute running session.	Competed in the partnership cross country tournament. A fantastic effort all round. Very successful long distance running at Quad Kids by KS1 and KS2.
Run sessions to support children to reach their physical ability – Change for Life sessions in Year 3,4 & 5.	Specific training was given to a member of staff. Children across KS1 and KS2 took part in a Change for Life club.	Improvement with the children's fine and gross motor skills. Team building and self-esteem levels have risen. Children also took part in a Boccia competition.
To set up different sporting experiences for the children – tennis, fencing, golf, cricket... and up skill the teachers.	Zumba fitness was carried out by the whole school as well as yoga sessions. Badminton, archery and golf lessons were taught through team teach with Premier Sport.	Children across the school have learnt new skills throughout a wide range of sporting activities. Staff feel more confident teaching the sports.
Train a new gym coach.	Correct training has been successfully achieved to help fulfill the needs of the gymnasts and staff.	KS1 and KS2 children attended many competitions winning the semi-finals key steps competitions and specific children receiving individual medals.
