This year, schools have received PE and Sport Funding. This funding must be used to fund improvements to the provision of PE and sport, for the benefit of primary aged children, in the 2018 - 2019 academic year so that they develop healthy lifestyles. We will receive a total of £17750

Current Potential spend - £11581.08 (including £467.08 overspend from 17/18)

We use the majority of our money to ensure we upskill staff to benefit the children this current year and for future years, therefore making the use of money as sustainable as possible.
