This year, schools have received PE and Sport Funding. This funding must be used to fund improvements to the provision of PE and sport, for the benefit of primary aged children, in the 2020-2021 academic year so that they develop healthy lifestyles. We will receive a total of £17726.33 (£20775.01)

Plus Carry forward from 19/20 of £3,048.68

Total spend for the Year

£22,926.93 - including swimming for terms 5 and 6 only and levelling of field which is only an approx.

We use the majority of our money to ensure we upskill staff to benefit the children this current year and for future years, therefore making the use of money as sustainable as possible.
