

Stockham School

On June 17th 2016 we visited Stockham School. It was like ours with all the classes from foundation to year 6. In total they have 208 pupils. All the classes follow topics - Foundation were doing the Rainbow Fish, Year 1 = Plants, Year 2 = By the Seaside, Year 3 = Wantage, Year 4 = Fields, Year 5 = Matilda, Year 6 = The World.

They do PGL in June, as an after SATs treat not at the start of the year. The other classes do lots of other trips. Year 5 were off to watch Matilda in London the following week.

Mrs Burbank is the headteacher but as she is on maternity leave Mr Burbank is the acting headteacher.

The school have collective worships even though they are not a church school. They have also been doing lots of work about the Queen for our SPS event.

They have a lovely outside area, with a trim trail.
