

St. Amands

All the SPS members went to St. Amands on the 4th of July 2016. People were chosen to take us around the school.

Year 1 and Foundation were called Owls and their topic was Katie and friends.

Year 1 and 2 were called Rabbits and their topic was the Isle of Stray.

Year 3 and 4 were called Hedgehogs and their topics were Rivers and Bodies.

Year 4 and 5 were called Squirrels and their topic was Rivers.

Year 6 were called Red Kites and their topic was also Rivers.

Year 6, 5 and 4 are currently working on a play of Joseph and the Technicolor Dream Coat.

They have 122 pupils, roughly 26 in a class.

St Amands is a Catholic Primary School with very strong links to the church. In their entrance foyer they had lots of information about their Catholic Values and British Values.
