* The income for the Year 6 Leaver's Disco was deposited after the end of the financial year and the profit of £88.90 will be shown in the financial report for 2015/2016.

** The sponsorship money for the Bingo Race was only received after the end of the financial year and thus will be shown in the financial report for 2015/2016. When this is taken into account the loss for the Bingo Race would be 18.29.

Rich Stillion asked about the figures for the Bingo Race. It was acknowledged that the Bingo Race was a success, both in terms of the community event organized to take place during the weekend of the Village Fete, and in terms of a fundraising event for FOSS. The sponsorship of the event was received too late to be included in the accounts for 2014-2015, and will be included in the accounts for the forthcoming year. In addition, items bought for the initial race for example, stakes, tapes can medals and be used again in future races.

EG's report gave a big thanks to David Bailey for purchasing and installing theatre lighting and a memory control desk in the school hall over the last two years, giving a special touch to school performances. FOSS would like to thank David Bailey for his dedication and hard work to complete this project.

The Peter Pan Story Music Workshop was held during Storytelling Week where the children explored the story of Peter Pan through song, music and dance.

FOSS decided to replace the broken laminator in the school office as Emma Payne laminates all the signage for our events. We also bought a few extra gazebos which came in very handy during a very hot Sports Day and Summer Fete.

On behalf of the committee and EG, VS gave a big thank you for the support and generosity of the parents, grandparents, helpers and the wider village community.

On behalf of the FOSS committee, we would like to thank Eva Geekie for her hard work and dedication in both the Treasurer's role and for participating in numerous events including organizing the Summer Fete.
