*Stanford in the Vale CE School Council Minutes*

Present - Eddie, Verity, Ella, Peter, Alex, Kayleigh, Freddie, Olivia, Samuel, Lexie and Mrs Webb

- ❖ Please can we have a slide or other play equipment?

A slide is a good idea because it could be used by younger children who may find it tricky to reach the other equipment. However, it would be hard to share a slide because there are 200 children in our school and it can only be used by one person at a time. We also thought that it would be hard to find a space for it.

- ❖ Please can children sort out their own friendship worries?

Very soon, Year 5 will be trained as Peer Mediators to help children sort out their worries.

- ❖ Please can we have Spanish lessons?

We think Spanish lessons would be pretty cool but we would need someone to speak Spanish to teach us. Mrs Webb will ask staff if anyone can speak Spanish to run a club.

- ❖ Please can we have a rounders or baseball club?

We will look at clubs for the Summer Term as we already have lots of clubs running.

- ❖ Please can we have more construction things in the woods?

There are lots of things already in the woods; there isn't much space for any more. More items would be nice as we would have more to share. We would also benefit from lighter construction items. Mrs Webb will check with Mrs Willis.

- ❖ Please can we have a water supply by the chickens for Eco Club.

Mrs Webb will speak to Mrs Willis about the possibility of this happening.

*Please remember to put suggestions in your suggestion book; we do take them seriously!*
