INTENDED USE OF PUPIL PREMIUM

Report to Parents & Guardians for 2016/17

The Pupil Premium is an element of school funding aimed at narrowing the gap in attainment between certain disadvantaged groups of pupils and those who are more fortunate. In 2016-17 funding is calculated on the basis of £1320 for each pupil who has been eligible for free school meals in the past six years, and for looked after children in care for more than six months. There is a related Service premium of £300 for children of families in the armed services.

The funding is provided to schools, which decide how best to spend this according to local needs.

This year our school budget included a total Pupil and Service Premium of £23040.00 (3% of our overall revenue budget), and below is a summary of the way we will use this funding to support our pupils' learning. (Note: information related to individual pupils remains confidential).

Actions to be taken Target pupil group	Impact on learning outcomes	Evidence: pupil attainment & progress
Use of partnership HSCLW to help develop emotional needs. Free School meals Children		
Trips, Swimming and Residentials Pupil Premium Children
