11th May 2018

Dear Parents

As I stated in a previous newsletter we need to ensure that we are following the General Data Protection Regulation (GDPR) that is coming into force on the 25th May 2018. This has led to some changes in our current practice.

Attached are an updated Data Protection Policy and Privacy Notice which are in line with the new regulations. In the policies we have a named Data Protection Officer who will oversee our practice and deal with any queries. Mr Duncan Scott is going to be our named Data Protection Officer.

As the year progresses and we review policies and procedures there may be further changes to the way we obtain / display data and get your consent. We have currently reviewed our photograph and walk consent forms which we require you to complete and return as soon as possible. We have decided that the consent forms will follow your child through their whole time with us but there is the option to change your mind at any time. These will come home as hard copies with your child today.

We have also been busy ensuring that every company we use is GDPR compliant to reassure you that the data they have is secure eg. Parentmail + PMX, Classroom Monitor, the Interactive Learning Diary....

Thank you for your assistance and understanding in this matter.

Kind Regards

Amanda Willis
Headteacher
