## STRATEGY STATEMENT

Our main priorities are to:

- support the mental health and well-being of children and staff following COVID lockdown and with the ongoing COVID issues
- filling in gaps in children's learning / knowledge

Core approaches:

- quality first class teaching and support
- interventions
- emotional and behavioural support

Overall aims:

- to ensure the children feel safe and supported in the school/classroom environment
- to raise the attainment of all pupils to close the gap created by COVID-19 school closures
