Dear Parents

FOSS are a parent group who organise enjoyable events to raise money to benefit the children in Stanford in the Vale CE Primary School. The work of FOSS is even more important nowadays, with budget restrictions. The school rely on FOSS to contribute towards the annual school budget as well as purchase items to benefit the children eg. sport kits, music stands, new reading books, visiting music groups and a planetarium, sports day medals, plus much more.

We recently held our Annual General Meeting to pick our committee, discuss past and previous events and look at our accounts. It was disheartening when only one person other than the committee attended. We need more people to support us in our work whether it is through joining our committee or offering to help at the school disco, selling hamper tickets, setting up events..... Any help would be gratefully received because presently we cannot continue as we are. So if you want to help give your child the best education, with great resources and memorable experiences please offer your support by emailing fossadmin@btinternet.com

We would also like to have a named parent to represent each class. Their role would be to spread the word about FOSS events, offer suggestions about future events and try to organise helpers. If you feel you could manage this role please email fossadmin@btinternet.com

Thank you in advance for any help you can offer.

Kind Regards

The FOSS committee
