

HOME-SCHOOL AGREEMENT

SEPTEMBER 2016 - JULY 2017

The purpose of our school is teaching and learning. This is best achieved when home and school work closely together.

Teachers, Governors and Friends of Stanford School form a unified partnership to offer support to Parents, Children and the School.

We offer a curriculum which is broad, balanced and meets the needs of the National Curriculum. Where children have special needs we do our best to support them. We keep all parents informed through regular evenings and consultations.

For our aims to be achieved school, parents and children have the following responsibilities:

School Responsibilities

- To deliver challenging and stimulating programmes of study designed to enable each child to reach his/her potential.

- To ensure that learning is monitored, progressive and continuous.
- To provide positive role models who are caring, punctual, well prepared and organised.
- To implement the school's behaviour and discipline policy.
- To meet with parents to discuss items of individual concern, or highlight achievement.
