17th November 2017

Dear Parents

The Key Stage Two Christmas performances are fast approaching, so we thought we would write to explain procedures.

The children are going to perform three times, firstly on Monday 11th at 2.00pm and later at 6.00pm. They will also perform at 6.00pm on Tuesday 12th December. All of the performances will take place at St Denys' Church. The staff will take the children up to the church for the 2.00pm performance, dressed and raring to go! At the end of the afternoon performance we are happy for you to follow us back down to school and take your child home. The children will go home in or with their costumes, so could you please bring them back to St. Denys' Church in costume for 5.45pm, ready to start at 6.00pm. After the evening performance, once you have informed the relevant class teacher, you can of course take them home. If you are not staying for the performance, please return to collect your child(ren) at 7.00pm. The children will go home in costumes after the Monday performance so please return them in costume at 5.45pm for the Tuesday evening.

Your tickets for each performance are attached. Tickets will be restricted to two tickets per performance per child. Please arrive from 1.45pm for the 2.00pm performance and 5.45pm for the evening performance. Our primary school children will be watching the performance during school hours so they do not need to come to the evening performances. If you do not have a ticket we will not be able to let you in. If you do not require your tickets you could give them to another parent or please return them to the school office.

We will be having a collection for the Red Cross to support hurricane victims at the end of the performances. FOSS will also be selling tickets for our Christmas hampers in the entrance of the church, at £1.00 per ticket. You can place your ticket in the box corresponding to the hamper that you would most like to win. The raffle will be drawn after the final Key Stage One Nativity play on Thursday 14th December.

Many thanks for your assistance
