

Pupil premium strategy

1. Summary information					
School	Stanford in the Vale Primary School				
Academic Year	2018/19	Total PP budget	£22,740	Date of most recent PP Review	Sept 2018
Total number of pupils	204	Number of pupils eligible for PP	20	Date for next internal review of this strategy	Sept 2019

2. Barriers to future attainment (for pupils eligible for PP, including high ability)		
In-school barriers (<i>issues to be addressed in school, such as poor oral language skills</i>)		
A.	The number of Pupils eligible for PP and also on the SEND Register .resulting in lower attainment then non- PP in reading, writing and maths.	
B.	Behaviour issues for 2 pupils eligible for PP are having a detrimental effect on their learning and ability to progress and in some cases that of their peers.	
C.	Several children eligible for PP have significant social, emotional and behavioural needs.	
External barriers (<i>issues which also require action outside school, such as low attendance rates</i>)		
D.	Lower attendance for some children	
E.	Access to extra-curricular activities and educational experiences for some pupils eligible for PP (e.g.trips, residential) due to cost.	
F.	Parental engagement with school is reduced or absent for some children with PP.	
3. Desired outcomes		
	<i>Desired outcomes and how they will be measured</i>	<i>Success criteria</i>
A.	Higher rates of progress across the school for pupils eligible for PP, especially SEND PP pupils with quality first class teaching and additional support /interventions.	Pupils eligible for PP, especially SEND make as much progress as other pupils across the school in reading, writing and maths.
B.	Children with behaviour issues will receive specialised support and spend increasing amounts of time on task to enable them to access the full curriculum and make progress.	Pupil eligible for PP will be able to access mainstream lessons alongside peers and make progress
C.	Welfare and social issues of pupils and families are addressed in partnership with school and other agencies as appropriate to enable children to access learning.	Fewer behavioural or welfare issues are recorded for these pupils on the school system.
D.	Increased attendance rates for pupils eligible for PP so that they are in school to access the teaching and progress improves.	Overall PP attendance improves in line with school attendance target for the academic year to bring figs more in line with non FSM absence.
E.	Pupils eligible for PP will be able to access extra-curricular activities/ trips to enhance learning and develop the whole child.	All children will have taken part in extra-curricular activities.
F.	Good communication and information sharing between school and home for all children eligible for PP. Parents will be attending all meetings and working in partnership with school to address and overcome children's needs.	Parents are willing to engage with staff and are willing to share relevant, pertinent information as and when required. Parents will be taking responsibility and fulfilling actions agreed in meetings.
