

# Stanford in the Vale CE Primary

## INTENDED USE OF PUPIL PREMIUM

### Report to Parents & Guardians for 2021/22

The Pupil Premium is an element of school funding aimed at narrowing the gap in attainment between certain disadvantaged groups of pupils and those who are more fortunate. In 2021-22 funding is calculated on the basis of £1345 for each pupil who has been eligible for free school meals in the past six years, and for looked after children in care for more than six months. There is a related Service premium of £310 for children of families in the armed services.

The funding is provided to schools, which decide how best to spend this according to local needs.

This year our school budget included a total Pupil and Service Premium of £33,210 (3,6% of our overall revenue budget), and below is a summary of the way we will use this funding to support our pupils' learning.

For a more detailed report please see the Governor's report for impact of PP Spending.

Actions to be taken Target pupil group	Impact on learning outcomes	Evidence: pupil attainment & progress
Interventions/ support to fill gaps Teacher to support target group (Sept - Nov) <i>Free School Meals (FSM) children.</i>
