Analysis

The responses show that the School is progressing forward with improvement in all the different areas. It was great to see that everyone believes that the school has a clear vision and set of values. Other areas that came out at 100% strongly agree / agree were:

- The school has a happy atmosphere
- The school has a good reputation locally
- The school encourages parents to play an active part in school life
- The school gives me a clear understanding of what is taught
- There are a good range of activities that my child finds interesting and enjoyable in school
- Members of staff are accessible and approachable

For those parents who indicated 'disagree/strongly disagree,' we would recommend that you speak to the head teacher to try to resolve these issues.

In some of the areas, a higher percentage of you ticked 'don't know.' The main areas were:

- The school seeks the views of parents and takes account of their suggestions and concerns
- I know how to contact a member of the Governing Body if I need to
- The staff encourage the spiritual development of my child
- I am confident that the school deals with inappropriate behaviour effectively

What we are going to do next

The areas where a higher percentage of you ticked 'don't know' or 'disagree' will be considered further at staff meetings and governor meetings, especially how to better inform parents of children new to the school. Any suggestions on how we can better inform new parents to the school of practises and policies please speak to the head teacher or a member of the governing body. We will also consider the areas for improvement that you recorded.

The bits we can address now

- If you wish to contact a member of the Governing Body you can through the Governor Webpage under School Life on our School website: www.stanford.oxon.sch.uk or by a sealed letter to the main office, with 'For the attention of the Governing Body' written on it.
- If you wish to view our school policy and procedures on dealing with behaviour, the Anti-Bullying Policy and Promoting Positive Behaviour Policy are available on the Key Information page of the school website: www.stanford.oxon.sch.uk or a hard copy from the school office. Any member of staff would also be happy to speak to you regarding these policies.
- The spiritual development of your child is addressed through Religious Education lessons, our School Values and Collective Worship. Information about our Values and Collective Worship themes are found on the school website: www.stanford.oxon.sch.uk. The Value of the month is also addressed and explained in our school newsletters. Please come to your child's class collective worship or a service at St Denys to evidence your child's spiritual development.
- Our school website is very informative and current. It contains a calendar of events that are going to happen throughout the year, a club timetable for the coming week, information about what the children are learning, key documents and information about recent events. Please have a look to learn about our school.

If you would like to discuss this further, please contact the head teacher or a member of the governing body via the email link on the school website.

Thank you again for taking the time to complete and return the questionnaire. As always, your responses are invaluable in helping to move the school forward.

Yours Sincerely
Stanford in the Vale CE Governors
