September 2018

Dear Parents

On occasions we like to make use of our local area for school related activities, such as visiting the church, sketching nature, field studies, looking at historical features, welly walks..... Rather than obtain your consent each time, I would be grateful if you could give your permission for the whole time your child is a pupil in our school, subject to the appropriate levels of supervision being provided and proper safety considerations being taken. If you're not happy for us to do this, that's no problem – we would either ring you each time we wish to use the village or your child would not be able to accompany their class.

Any visits which involve travelling beyond the village, such as class trips, sporting events, musical events.....permission will be asked for on a separate letter detailing the visit.

If you change your mind at any time, you can let us know by emailing: office.3240@stanford.oxon.sch.uk, calling the school on 01367710474,or just popping in to the school office.

Yours Sincerely

Mrs Amanda Willis  
Headteacher
