Friday 8th March

Dear Parents

The Governors of Stanford in the Vale Primary School are delighted to attach the recent Ofsted Report, where they have graded the school as Good in every area. We believe this gives an accurate reflection of our school.

Firstly, we would like to thank the Head and all the staff, not only for their work during the inspection, but also the day to day care and commitment that helps to make our school excellent.

We are thrilled to see that the inspectors recognise the exemplary behaviour of the children and are sure that you would like to join us in congratulating your child(ren). Whilst observing the lessons, the inspectors saw the children's enjoyment and the good progress that they were making.

Areas that have been identified to make us an outstanding school, had already been included in the School Improvement Plan, which can be seen on the school website noticeboard and these will continue to be addressed.

We thank you for your support and working in partnership with us.

Yours sincerely

The Governors of Stanford in the Vale Primary School

Working Together, Achieving Together
