To the brilliant volunteers who kindly cared for our chickens over the Summer Holidays.

### Our Friends of Stanford School (FOSS) worked

really hard last academic year to raise much needed funds to purchase various curriculum resources. Many thanks to the team and we wish them lots of success this year as they are now contributing to the school budget. FOSS are always looking for new members, if you are interested please speak to either Andy Hill or myself.

### Assembly

Every Friday we have an assembly which celebrates the success and achievements of children during the previous week.

Each class presents certificates for the star or stars of the week. These are displayed in the hall, as a star display and also on the school website.

Children also build up merit awards over the days / weeks for good work and behaviour. Certificates are given out for 20, 40, 60, 80 and 100 merits.

Children's birthdays are remembered and recognition for team achievements in the sporting area are also celebrated.

If children receive awards outside of school we would also like to share and recognise their success in our Friday assemblies, so please let class teachers know.

## The Goodness Gang

### 'The Goodness Gang' Breakfast and After School Clubs

Breakfast Club runs every morning from 8.00am, in the library. After School Club runs Monday to Thursday afternoons until 5.30pm in the library.

If you are interested in your child attending please look on the school website or contact Mrs Finney, Ms Scrase, Ms Payne, Mr Collins or Mr Godwin.

### Meet and Greet Sessions

If you are unable to come to the Meet and Greet Sessions on Tuesday, class teachers will put the information on their class web page.

### Walking Wednesday

Eco Club run a walking bus on a Wednesday from the Village Hall. Mrs Willis and Ms Payne arrive at the hall at 8.30am and leave at 8.40am to walk down to school. We would love

lots of children and parents to join us. We even give away goodies on certain walks and have special visitors.

It would really help to reduce congestion and improve safety if as many of you as possible could walk to school on a daily basis.

## Homework

The first piece of homework will be set next Thursday (14th September), apart from Foundation. Homework books will come home on a Thursday and need to be returned on a Tuesday.

Homework consists of: Daily sharing of a book, to help children develop

their reading strategies and comprehension. Even when children are fluent readers it is still important to read and question them regularly. Please use the Reading Record to communicate how your daily reading has gone.

Weekly spellings which the children need to

practise at home and will then be tested on in school.

At least 30 minutes of Mathswizz a week (Year 2—6), which teachers will check on a Tuesday.

Topic based homework, which the class teachers will explain their expectations.

## Expectations
